TRAVEL INSURANCE: We do not handle trip insurance but if you are interested, we have a few suggestions.

Travel insurance is available from a variety of sources – your credit card company, your personal travel agent, on the internet, etc. The plans vary dramatically. Think about what you really want to cover. Be sure you understand the details of the policy. Three companies we like are Allianz, Travel Guard, and AAA.

If you have any pre-existing conditions, it is extremely important to sign up for travel insurance immediately after sending in your deposit.
